

NHL STEWARDS' CONFERENCE

**ALDEN DOW HOUSE AND STUDIO
MIDLAND, MICHIGAN**

In August 1998, the Midwest Support Office of the National Park Service joined the Alden Dow Home and Studio NHL to present a conference for Landmark owners in the Midwest. The conference, which included ample time

for networking and conviviality along with excellent professional sessions, will be followed by another Midwest conference in Madison, Indiana in 2000. For information, call 812/926-0087.

Designed by the prominent mid-western architect for himself, the Alden Dow House and Studio is an exhilarating example of his work. Landmark stewards toured the site, designated a National Historic Landmark in 1998, during the conference presented by the NPS Midwest Support Office in Midland, Michigan.
